Inter-Lakes School District Budget Information Sessions

On **Wednesday, February 6, 2019**, the Inter-Lakes School Board will hold a **Public Hearing** on the proposed Inter-Lakes School District Budget 2019/2020. The purpose of the Public Hearing is for the School Board to gain feedback from the public on the proposal prior to approving the budget for consideration at the **Annual School District Meeting** on **Wednesday, March 6**.

In order to help provide information in advance of the Public Hearing, a series of information sessions are being offered by the Superintendent of Schools, Mary Moriarty. The goal of this outreach is to provide an overview of the proposed budget and answer budget questions prior to the Public Hearing on February 6. Budget information will be posted on the School District’s website (www.interlakes.org) on Monday, January 28 and will also be distributed at each meeting.

The proposed Inter-Lakes School District 2019/2020 Budget is \$26,372,907, this reflects an increase of 1.96% over the previous year’s budget.
